Re: Reynolds School Board Directors Honored

Long-term school directors were honored by the Pennsylvania School Boards Association at the November 20, 2019 Reynolds School Board meeting. Pennsylvania school directors were honored across the state for a 4-year range in years of service from 8 to 36 years.

Mr. Christopher Osborne of Delaware Township, and **Mr. Brian Paolucci** of Pymatuning Township, both members of the Reynolds School Board, received recognition for their years of service. Mr. Osborne was honored for 16 years of service, and Mr. Paolucci was honored for 8 years of service. Certificates of Recognition were presented adding them to the Pennsylvania School Boards Association “Honor Roll of School Board Service.”

The PA School Boards Association commended the recipients for their years of dedicated volunteer service to children, the community and public education.

School directors continually are spending more of their personal time on school-related activities. Fifty-four percent of them devote 16 hours or more a month to school board business. That shows a real commitment on their part. They put in, on the average, about two and a half working days per month of nonpaid, volunteer service as school directors. They exemplify leadership and dedication, giving unselfishly to their communities, students and the public schools. Their efforts, along with those of their fellow board members, reflect their dedication to giving our children the opportunity to gain knowledge through the best educational system possible.
