Pre-Employment Physical/TB Test Information

Your pre-employment physical and TB test are at your own expense. You may have your pre-employment physical completed by your own personal physician or a facility of your own choosing. The Reynolds School District is able to accept a physical report that was completed within one year. Of your start date. Therefore, if you had a physical within the past year, you can simply have your physician complete the physical report as of that exam date or submit a copy of a report that you may already have available. Physical forms are available on the district website at www.reynolds.k12.pa.us.

Sharon Regional Health System and UPMC offer pre-employment physicals by appointment to the general public at the locations listed below. SRHS Corporate Health Services provides tuberculosis tests Monday through Friday, except not on Thursdays. Thursday testings are not given because you must return within a 48 to 72 hour timeframe during their office hours to have the injection site checked, and that would fall on the weekend when they are closed. SRHS's hours are Mon.-Thurs. 7:30 AM—4 PM, and Fri. 7:30 AM—3 PM. UPMC Urgent Care is open from 9 AM to 9 PM, 7 days/week, including holidays, so you are not limited to when you are tested at their facility. *Your cash payment is required at the time of service.*
