

Reynolds PTO Holds Mother-Son Carníval Night

The Reynolds PTO hosted a Mother-Son Night at Reynolds Elementary. The evening was a carnival theme. The event started off with a Mother-Son Dodge ball game, and then the guests circulated to various areas for some game time fun. There was ring-toss, fishing, toss the toilet paper in the toilet, Connect, balloon animal to make, a photo booth with props, make a paper airplane and even tattoos. Of course there was a concession area with treats, snacks, and even cotton candy!

This event could not have run without the volunteers such as dads, grandparents, and sisters, who helped to "man" various areas. A special thanks to everyone who helped make this carnival occur. The mothers and sons had a terrific time! A final shout out to the Reynolds PTO for providing this experience!
