RE: Information Update Report

Highlights from Reynolds Junior-Senior High School:

1. Mrs. Dunn reported that her Block 8 students are utilizing their sewing skills to construct their drawstring backpacks and preparing to start construction of their stuffed animals. Her Intro to Family classes are learning to manage personal finances. They have completed budgeting and are now opening bank accounts, paying bills with checks and correctly maintaining a check register, as well as demonstrating how to correctly reconcile bank accounts. Her Practical Family Living students are studying nutrition and menu planning. They demonstrated new cooking techniques while working in a classroom lab situation.

Highlights from Reynolds Elementary School:

1. Mr. Beighley reported that his students are currently studying bats and the positive effects they have on the environment. His students were involved in reading the story "Bat Loves the Night" as well as other supplemental readings that dealt with bats. The students studied the aspects of being a nocturnal animal and the use of echolocation. His class also researched micro bats and mega bats and learned the similarities and differences between the two classifications.
2. Mrs. Helms reported that members of the Reynolds Elementary beginning and advanced bands held their annual band concert on Tuesday, May 10, 2016 at 6pm. The beginning band students performed Au Clair De La Lune, Donkey Round, and Marry Ann. The advanced band students performed Ode to Joy from Beethoven's "Symphony No. 9", Kookaburra, and the main theme from Star Wars.
