

13th Annual Covered Bridge Craft Show

The Reynolds High School Key Club sponsored its 13th annual Covered Bridge Craft Show on Saturday, March 17. Approximately 85 vendors set up tables offering homemade items, baked goods, maple syrup, jellies, relishes, jewelry and pet treats. A Chinese Auction was also held with donated baskets and items donated by vendors. An estimated 600 people attended the event. Key Clubbers assisted vendors with unloading and loading, meal delivery and operated a concession stand. The proceeds from the show provide funds for school and community service projects and student participation in Kiwanis sponsored leadership programs. The Reynolds Key Club is sponsored by the Kiwanis Club of Transfer.
