Dear District Approved Parent/Community Volunteers:

As you may have heard, the Reynolds School District will be implementing a Live Online Learning program for the first nine-week period of the school year. Our students will be provided Chromebooks for grades 2-12 and iPads for grades K-1 and will learn from home by our teachers teaching from their classrooms.

As a way to assist our parents who may need help with their children while working, we are reaching out to our volunteers to determine whether anyone may be interested in helping other children with their school work during their parents' work hours. This could be either in your own home or their homes.

If you are interested, please contact my secretary, Mrs. Sue Combine at 724-646-5501, Ext. 5521 or email her at [scombine@reynolds.k12.pa.us](mailto:scombine@reynolds.k12.pa.us) and let her know of your interest in assisting our families in the district. Please state whether you would be interested in your own or the child's home.

The plan is to develop a list of district volunteers who are willing to help out, as well as a list of families in need of your help. Your contact information will not be distributed. Once we have the lists finalized, the parent (in need of help) names and phone numbers will be provided to interested volunteers to make their own connections with the interested families.

If you have any questions or concerns, please do not hesitate to contact Mrs. Combine.

Sincerely,
