2024-2025 Memo to Parents- Notification of Security Drills

The Reynolds Junior/Senior High School and Elementary School will conduct security drills throughout the school year. These drills will include fire, emergency weather, shelter in place, and/or lockdowns.

The purpose of these drills is to prepare the students and staff if a real situation develops. The primary mission of the school is to protect the safety of your child and practicing these drills and scenarios will better prepare them for what to do in the event of an emergency.

While it is our most sincere hope that we never have to utilize these plans, we will continue to practice these situations to the best of our ability.

We thank you for your continued understanding and support.
