Email: lbrest@reynoldssd.org

With the start of the 2023-2024 school year Reynolds School District will continue to offer free healthy school meals, which includes breakfast and lunch, to all students on regular school days during the school year, as part of the National School Lunch and School Breakfast Community Eligibility Provision (CEP) Program.

The program includes one free breakfast and one free lunch per student. If your student packs lunches they will be able to purchase milk at \$.50 per carton. Double lunches, extra entrees and a la carte items are not included but will continue to be sold on a cash basis. No student charges will be allowed. School Café Meals Pre-pay is available for you to set up an account for your student for any extra food service purchases. The web address is below and also on the schools web-site under the Food Service Department.

<https://www.schoolcafe.com/ReynoldsPA>

We will also continue to offer 1 free after school snack for those students participating in after school programs.

Back to school reminder: many children with food allergies are able to identify what they can and can't eat, but it's helpful if other parents and your child's friends know, too. If your child does, be sure to tell the school nurse, principal, and or food service department what types of foods your child must avoid. Medical plan forms are available on the district web site under the Food Service Department. These forms must be signed by a Physician or Medical Authority.

Have a Happy Healthy School Year!
