Welcome to the CSIU Parent Portal!

The CSIU Parent Portal is a cutting-edge communications tool designed to increase your involvement in your student's education using the power of information. The Parent Portal allows for instant online access to current and relevant information that will enhance your involvement with your student's academic career.

If you already have a Parent Portal account, please do not create another one. The Parent Portal only allows for one portal account per parent so any additional accounts will be denied. If you cannot remember your Parent Portal Username or Password, please click on the "Forgot Password?" option at the Login Screen.
