November 7, 2022

Reynolds School Community,

The district calendar has been modified to reflect two changes.

1. Tuesday, November 29, 2022 will now be a Full Act 80 day for our school. Therefore, students will not report to school on Tuesday, November 29, 2022. Administration will be using this time to complete mandatory Threat Assessment Training. Transportation will be provided for Vo-Tech students.
2. Thursday, April 6, 2023 will now be an AM Act 80 day in conjunction with the early dismissal already scheduled for our school. Therefore, students will not report to school on Thursday, April 6, 2023. Administration will be using this time to complete School Climate Initiative Programming.

We appreciate your cooperation and willingness to provide this additional time and make the necessary adjustments.

Respectfully,

Raymond C. Omer, Superintendent
