

Reynolds Teacher Recognized by Reynolds VFW

Reynolds Elementary kindergarten teacher, Kim Callihan, was recently surprised by members of the Reynolds VFW Post 7599. The VFW representatives arrived with patriotic balloons and a citation recognizing her as the Teacher Citizenship Award honoree. Mrs. Callihan was nominated by Nikki Giardini for her work spreading citizenship. She will now go on to the district level to compete. Commander Clark Everhart and Patriotic Instructor Linda Gassner from the Auxiliary presented Mrs. Callihan with this award.
